Elements of Music Lesson #1

WELCOME
Hello, I’m Hank Valencia. I’ll be your music teacher for the next few weeks. To get started, click through the links to the right. At the end I’ll be giving you a quiz, so pay attention! I’m a nice guy, but I take my teaching responsibilities very seriously.

2. Tempo
3. Melody
4. Harmony
5. Quiz #1

For a four-piece whose infectious qualities ride heavily on an unconventional mixture of heartfelt optimism and captivating hooks, the choice to name Sparkadia’s debut album Postcards comes off as an apt choice. Because as lead vocalist Alex Burnett explains, the art of music is one of the best ways to . . .
Elements of Music Lesson #1

RHYTHM

Rhythm refers to the surface activity of music, containing sounds most often longer and shorter than the beat.

The Medieval Period (450-1450)

This period in European history is also called the Middle Ages. That title was given by later historians who viewed that time period as appearing between the Renaissance (1450-1600) and pre-Christian Greek and Roman times.

Hey, I noticed you were browsing some Medieval Music. Some people call me the Oracle of Medieval Music. I don’t want to brag, but hey, when they’re right they’re right. And you? Are you a know-it-all or a wannabe? Let’s find out.

St. Francis of Assisi
Basic 411

Saint Francis of Assisi and the Laudisti
Once I attracted a group of eleven followers and they sang laude (hymns of praise) while beating themselves with whips that tore their flesh—all in denial of human pleasure.
